The Executive Engineer, Kendriya Vidyalaya Sangathan, Headquarters, NEW DELHI.

Subject: Transfer of land to Kendriya Vidyalayas by sponsoring authorities in favour of KVS.

Sir,

I am to refer to your letter No.F.110111/100/2007-KVS(HQ)/Works/625, dated 30.09.2015 and to forward the status position of transfer of land yet to be identified /transferred under this region.

Karaikkal:

8.65 acres of land at RS No.54/8C/pt at Keezhavur Revenue Village, Thirunallar has been allotted. The land transfer formalities are still pending due to the stay order obtained by the occupant of the temple land for earth filling of the proposed land. The Collector informed that the stay order issued by the court in respect of the identified land in Thirunallar will be appealed very shortly for vacating the stay and the land will be handed over to KVS after land filling. However, he has shown an alternate land at Tsunami Nagar, admeasuring 8 acres which the undersigned have personally visited and agreed in Principle. The collector has assured to handover this land after completion of necessary formalities.

Rameswaram:

KV Rameshwaram was started during 2003-2004 and owing to non availability of Govt. land, piece of land measuring 8 acres and 54 cents at Revenue Survey No.557/2 in Rameshwaram Village of Rameshwaram Taluk, Ramanathanpuram District was purchased from a private party for Rs.44 lakhs and the Sale Deed was registered on 04.12.2003. The Board of Governors in its 95th Meeting has approved the proposal for construction school building of KV Rameswaram on land purchased by KVS as a special case since the district administration is not in a position to provide land. Since the land purchased is free from all ambiguities and uncertainties, it was recommended to consider accepting the purchased land for construction of new Vidyalaya building and the decision is pending with KVS Headquarter.

Perambalur:

2.08 hectar (5.13 acres) of land at Survey No.221/2, Perambalur South Village, Perambalur had already been transferred in the name of KVS on 27 th May 2015 and handed over to KV and the documents related to title transfer of land had already been forwarded duly translated in English vide Principal's letter dated 09.09.2015. The Construction of permanent building of the school may please be expedited.

Yours faithfully,

{S.M. Saleem} Deputy Commissioner

Achievement of Vidyalaya (like "Green Your School" Contest by IGBC, Inter- school competition, National Swachhata Award etc. in 100 words):

The Vidyalaya is situated amidst the vast area of land where there is sufficient space for the activities like gardening, shramdaan etc. The place is surrounded by a group of hills which facilitates the inflow of the fresh current of air continually, which is a specific feature of Tamil Nadu. The availability of water in the area is a great blessing which makes the soil fertile for the growth of the plants and trees which makes this vidyalaya a HARITA VIDYALAYA. Being the new building and with the available resources the school has taken the initiative to make the place a green one under the project 'Green Your School'.
